Dear Sonny:

Abe was sorry he was not here to talk to you when you called last night. He said he hopes you will be able to stop in Newark when you come east. If not be sure and call him when you get to New York, and he will come over there.

When I told him you were planning to train in Jacksonville, he told me to write and tell you he has made all arrangements to train there, and he does not know of any park you will be able to get. He said there is only the one park to train in, and he has arranged to have it from 11AM to 3.30 PM, and the children come in at 4PM. We were under the impression you were going to train in Orlando.

It will be nice if we are near enough to play each other a few games. Have you gotten your Easter Sunday booked yet? Up to now we have not arranged anything. Each time I have written Cum I have spoken about some games during training, but he has not answered me as yet.

I heard you were in the market for a catcher. We may be able to work something out with you, we will have Mackey, Ruffin, Parks, and Wynn. I have heard from Ruffin and Parks, and they are both out of the army.

Please answer as soon as possible.

Very Truly Yours
